Source Yoga, along with north end neighbors and friends of Amanda and Josh Carlson, invites you to participate in our fundraiser to help the Carlson family with their adoption of three Ethiopian sisters.

Josh and Amanda adopted their son Mican from Ethiopia last year and in Aug they adopted the girls. We know that our community is a powerful way to support the Carlsons as they take on this enormous commitment and financial undertaking. These three beautiful girls were orphaned due to the effects of AIDS and poverty but luckily they do not have HIV/AIDS. Keeping the girls together is their birth-mother's prayer. Let us introduce you to the girls. Nardos is 9. She is tender hearted and takes a mothering role for her sisters. Netsanet is 6 and she loves to dance and play with her sisters. Hana, the youngest, is 3 and she is playful but shy.

Please join us in welcoming the Carlson girls into their new community and supporting Josh and Amanda's admirable work. We welcome your donations even if you cannot join us on Sept. 22. Cash or Checks only made payable to Amanda and Josh Carlson
