Cloth Diapering Class

With Hillary Ryan, owner of Wai Baby

Expectant moms and dads have plenty to consider when they are making plans for their new arrival. From choosing a doctor or midwife, to picking a crib or co-sleeping, to selecting a name, the amount of information that confronts new parents can seem overwhelming. When it comes to getting the answers about cloth diapers, one local mom is trying to help out.

Hillary Ryan, owner of **Wai Baby** (www.waibaby.com), offers free classes on cloth diapers for parents, childcare providers and even grandparents. These one-hour long workshops give an overview of the different styles of cloth diapers on the market today and give participants an opportunity to get some hands-on experience.
