Source Yoga presents:

## Blissful Hips!

A Hip Opening Workshop with Sian Davies-Vollum

The activities and stresses of our daily lives can often lead to tightness & discomfort in our hips. This workshop will focus on ways to ease some of that tension using yoga poses that promote hip flexibility and strength. If you are interested in exploring ways to improve hip mobility or simply deepen your yoga practice then this workshop is for you. There will be modifications and progressions of poses suitable for anyone with some yoga experience (for example Source Yoga Level I classes).

Sian Davies-Vollum, a yoga instructor at Source Yoga, will be leading the workshop. She has completed numerous yoga teacher trainings to attain Registered Yoga Teacher (RYT) standing with Yoga Alliance and holds group exercise certification with the American Council on Exercise.
